

## Georgetown Summer Concert Series 2019

The Annual Georgetown Summer Concert Series is a wonderful community event that offers area residents the opportunity to come together around great music performed by local bands and to enjoy quality time with friends and family. These events are sponsored in large part by area businesses and food vendors supplying good eats and adult beverages!

We are writing to invite you to participate in the sole small business event highlighting small businesses in our immediate communities. This event provides meaningful exposure to local residents and potential new customers. The connections made here could have ripple effects on small businesses like your own.

This year the date for this event will be **August 4th**. This will be a fun and relaxed environment for you to connect with folks and really showcase what you do and build your network of customers. The event will run from 5 p.m. to 7 p.m. Set up will begin no earlier than 4 p.m.

The cost to participate is only \$30 for each 10 x 10 area. Space is limited, so secure yours today by completing the included form and returning with your payment no later than Friday July 26, 2019.

We are excited to have your business be a part of this very special community event! We strive each year to improve and expand this event for all, and we hope that this serves to bring our community closer. Thank you for your support.

Sincerely,

The Concert Committee
